METER

2. You will hear a phrase that is in $\frac{2}{4}$ or $\frac{3}{4}$. Mark the phrase that you hear.

Two musical phrases are shown side-by-side. The first phrase is in 2/4 time and the second is in 3/4 time. Both are in a key with two flats (B-flat and E-flat). The first phrase has a melody of quarter notes and eighth notes. The second phrase has a melody of quarter notes and eighth notes, with a different rhythmic pattern.

TRIADS

3. You will hear triads that are major or minor. Mark the triads that you hear.

Six musical triads are shown in two columns. The first column contains three triads labeled 'a.', 'b.', and 'c.' with 'Major' written to their left. The second column contains three triads labeled 'Minor' with 'Minor' written to their left. The triads are in various clefs (treble and bass) and keys (C major, B-flat major, and B-flat minor).

INTERVALS

4. You will hear intervals. Mark the intervals that you hear.

Six musical intervals are shown in two columns. The first column contains three intervals labeled 'a.', 'b.', and 'c.' with 'Major 6ths' written above them. The second column contains three intervals labeled 'Major 7ths' with 'Major 7ths' written above them. The intervals are in various clefs (bass and treble) and keys (B-flat major and B major).
